Thread: [Elite Business Team \[Marketing/Business Group\]](#)

The Prospect - January 4, 2014, 8:40 pm

About

Elite Business Team is a group of members who strive to release products as well as services to benefit the community while make income. Becoming a member will give you a access to our Skype group as well as other marketeers and business men who share the same goals and philosophy you do. We're all in it to make money, so why not make money together?

Requirements

At least 1 product/service on HackForums

No scam reports

Ability to work as a team

1 unique skill or more

Communication

We believe that in order to be successful communication and collaboration is key. When and if you become a member you'll be added to our Skype group so you can talk to everyone else in the group!

What do you mean you don't get it? It's a group of business people that work together to get stuff

done.

Google.com - January 5, 2014, 10:21 am

To get "stuff" done

This group will become a multi millionaire idea
