Thread: [trace phone to current location?](#)

Cuddz - January 4, 2014, 11:14 pm

whats up guys, a kid who goes to my high school went missing yesterday and was wondering if i can trace his phone to his exact location

Morchid - January 4, 2014, 11:15 pm

There is a chance you could trace his phone, what kind of phone did he have?

rustyash - January 8, 2014, 1:40 am

hi im wondering if id be able to hack into my girlfriends blackberry due to rumours of her cheating
thankyou
