Have you ever even hacked a noteworthy site. You keep posting these shitty defaces nobody cares about

**sNide** - January 8, 2014, 10:07 am

Another unknown website hacked... isn't it ?

You might want to consider learning a programming language and POSITIVELY contributing to society.

**The Illuminatus** - January 8, 2014, 2:37 pm

The deface has an extremely graphic image and that is definitely not allowed on Hack Forums. Your thread has been reported.
