Thread: [Call of Duty Ghosts + Black Ops 2 Steam Account](#)

Packets395 - January 9, 2014, 5:03 pm

Winner: Vito Scaletta

Winning number: 70

So I'm sitting here studying for my exam and thinking about how I will not be able to play CoD for the next 2 years, due to intense studying. I am giving away my Steam account to you hackforums members.

It is my personal account, not hacked or banned.

It has Black Ops 2 and Ghosts.

With the following DLCs:

Nuketown 2025

Revolution

Uprising

Vengeance

Pack-A-Punch

Extra Slots

Party Rock Camo (and some other paid camo I don't remember the name of..)

North America Flags Player Card

I will provide an email, so you can go ahead and change the password and all the account information if you'd like.

I wrote down a number between 1 and 100 and your job is to guess what number it is, the closest uber to my number will win. ONE NUMBER PER USER. If we will have 2 winners, I will flick a coin or some shit?

I will announce the winner on Tuesday the 14th of January and PM him/her all the information.

? Please reply here with your number.
