It took him a long time to do OUR specific logo that we wanted due to how much we made him do. He worked with us every step of the way making sure we had what we wanted 100%. I've asked a few other people and he was the one guy who can do it, and did the best job he could.

If you're looking for someone who can do an extremely well designed logo or anything graphics-wise, this is your man. Worth every penny I spent, and for only 25\$ for what I wanted? What could go wrong? -Nothing because he fixes anything you don't like.
