(Jan 12, 2014 08:37 AM)Dignus Wrote: [\[CITE\]](#) Big vouch for this guy! No doubt he knows how to make money.

Q= Why is this E-Book only \$10?

A= the reason for this is because it will take at least 5,000 people to make this method saturated, because of how unused and unsaturated it currently is. Most people that start E-Whoring do it because they are desperate for money, so I want to make this easy for anyone to afford!

Q= Can I make money my first day using this method?

A= I have seen about all of people that use my method and site make money their first day using it.

Q=Does this method take a lot of work and time?

A= Not at all! Its actually almost auto-pilot!

TOS NO REFUNDS

Yo i was just wondering this cause i didn't see it in the thread, if we don't make any profit (with proof that we've actually tried, of course), do we get a refund.

Kind Regards, AXiS ?

Just some other scam ebook trying to make some bank. Fuck the Q&A mate, seriously. No one needs \$10 bucks when they make \$300 a day. Unless you sell 30 copies per day, which wont happen and you know that. Fuck sakes tired of this scammy threads.
