Hey guys I created a site for fans of our twitch/youtube and we're looking for some help with promoting, adding content, and just general ideas

if you feel like you'd like to volunteer and help out please head over to the site here!

One of the great things users love about us is that you earn "XP" our forum currency, It's used in many different ways, You can buy games from our digital marketplace, You also LEVEL up when you earn XP just like a video game! You can also battle users for XP the winner wins more XP and the loser well.... loses XP :D .

You earn XP by doing the following"

1. Being active on the site
2. Battling users
3. Watching the twitch stream
4. bringing new users to the site
4. more will be added very soon!

we have also have game servers for our fans!!

Minecraft
