You gotta buy a l33t so you have some privileges to rep person

Upgrade your profile to l33t. Be knowledgeable that upgrading isn't free.

You need to be leet or uber to give rep. Thats the benefit of buying it:

Follow this link to purchase L33t, otherwise you will not be able to give out reputation.

Give it a little bit, that happens sometimes. Wait 30 minutes and if it still won't work try contacting an Admin or Omni.
