Thread: [\[Official Group\]\[80\\$\] OFFICIAL GROUP USERBAR NEEDED \[80\\$\]](#)

Nas - January 16, 2014, 8:24 pm

Well, a new group will be made soon. We will need graphics.

We need a Old themed Userbar & a New Modern Userbar.

Not a lot of information will be given about this group until it has been fully purchased.

I would like the userbar to be dark-bluish and blackish. Please get creative. This is not a thread discussing what group will be bought or any of that non-sense. Please stay in point or post will be reported. Thanks.

Here is the img for the template thats for the old theme:

Decided to put more info,

Group Name: " Prevail "

Group Idea: Marketing & Cryptocurrency

PM the following if you have any questions or concerns on the design.
