Thread: [Prevail contest entry](#)

RHINO - January 17, 2014, 5:13 pm

Not finished but lemme know what you guys think !

Will be turning it into a userbar soon!

_Repos - January 17, 2014, 5:16 pm

I don't know what contest this is but that looks pretty good man.
10/10 for me.

Thanks alot! Honestly means a bunch :)

SkullTraill - January 18, 2014, 6:38 am

Quite good, better than 90% of the shite in this section.

HIGH PAID FELLA - January 18, 2014, 8:27 am

So cool man, I like the design. Good luck with the userbar and post it here when he's done.

shwanwins - January 18, 2014, 10:19 am

i really like the V good job man like how the colors combine even tho there isnt much variety to it.

The colors combine?

Lol, there is only one color mate. The background ain't gonna be used as part of the UB.

Also, it looks nice and simple. Different compared to other userbars here on HF, good luck with the contest!

Spl33k3 - January 18, 2014, 4:31 pm

I don't think the v fits in though.

I suggest just using the normal v
