PM'ed you.

Hope this works! Will update once recieved

Sinatraa - January 19, 2014, 7:26 am

I'd like this method, thankyou in advance OP.

WrightPower - January 19, 2014, 7:28 am

I'd also like this method, thanks in advance mate! :)

ARS3NAL - January 19, 2014, 9:55 am

FAKE! He wants you to sign up under his referral code so whenever you download apps, he picks up half of what you're making. Completely auto-pilot for HIM. Getting a code for Microsoft will take days to acquire with this method. Also the method is Featurepoints. Avoid it guys, not worth the time.
