I have recently opened my forum [RebuildSociety.com](#) to the public. As it is only a few days born there are no members and little content. So I devised a Contest to win \$50. I'm offer one winner a month the 50\$.

Each month (A winner will be picked next month 2/28/14) a winner who refereed UNIQUE members (Unique would be different IP, Information, Etc), posted the most high-quality content, someone who helped the site grow overall!

To make sure your referrals are counted please use the registration referral link in your Profile on the website.

I will display the winners below and their profile on the website. You may even win more on the website but this has yet to be decided!

To win make sure you register with valid information as this will be used to contact you if you win.
