We will be adding port forwarding and DDOS protected servers soon ?

Cellulosic - January 20, 2014, 6:51 am

Tested out this VPN, works very well and is very high speed.

Vouch for this VPN, works flawlessly.

muzzy. - January 20, 2014, 7:32 am

So what makes this different to the hundreds of other VPN providers on HF; why should I choose you over anyone else?

We provide top-notch speeds and guaranteed security from logging. Other providers may say they don't keep logs, but they just collect them and delete them occasionally. We delete logs every day, preventing you from being traced.
