Quote:@LittleBrother - If you could, PM me, or make a new post being just a tad more specific on what you would like help with.

@N1251 - For a more successful E-whore, never ask for money straight away, always persuade your way into his brain. Do what he wants for a bit, if he wants a few pictures, sure, give him some. But always remember do not give him naked pictures until he pushes out the dough. Have a good stock of photos/videos of the same girl, if you're doing multiple E-whores use different photos/videos of different chicks, but make sure if you use one chick, you have enough pictures/videos to use, and send.

Never jump into the payment situation, because than he will jump to a conclusion and not want to mess with you anymore. Make sure you work your way in, it may take 'Ten minutes to an hour' but take it slow.

Also, another thing, make sure you do not ask for high prices. Such as 'Twenty pictures for fifteen dollars' That's just down right utter. Make sure your prices are reasonable and don't seem like you are there just for his money (Technically you are, but still) Just try not to act like you're using him. Make him think you want to be with him. Give him the upper hand in the situation for a little bit, until he starts asking for more. As soon as he starts asking for more and begins to push with the 'Nude photos' that's when you bring the money into the situation. But not so fast! Do it slow, work your way to it.

BAD RESPONSE:

Do not be like this,

Spoiler ([Click to View](#))

Guy: So we've been talking for a while, I've seen normal pictures of you. How about some naked ones?

Girl (You): Sure, but you will have to pay.

GOOD RESPONSE:

A good response would consist of a more sensual text such as,

Spoiler ([Click to View](#))

Guy: So we've been talking for a while, I've seen normal pictures of you. How about some naked ones?

Girl(You): Yeah, sure. What would you like too see first? I've got plenty too show, but there is one thing I would like from you.

Guy: Yeah, so what is it you need?

Girl(You): I would like to see a few pictures of you naked first, and than maybe we can go further. (Hint: Here is where you get him. If you are good at Social Engineering and being a rat than you should be able to persuade him with the pictures he sends. (Such as blackmail))

Guy: Sure, what is your email address?

Girl(You): Insert Email

Guy: Okay you should be getting them.

Girl(You): I got them! Man, you are mighty fine! Now you are expecting something from me huh?

Guy: So my email is He will insert email

Girl(You): But the thing is.....I can't just give out my nudes for free, there will have to be a fee.

Guy: Okay so how much are you asking?

Girl(You): Well, I will send the first one for free but depending on how many nudes you would like, will depend on the cost.

(Hint: Do not forget to throw in the 'Videos' part)

Girl(You): OH! I also have video footage of me playing with my self, if you are interested as'well?

Guy: Sure but how much do you want?

(This is when you start giving him the prices & everything - If he doesn't want to do it, go to another guy using the same method.)

Do's & Dont's,

DO NOT - Give an over priced estimate of the pictures/videos.

DO NOT - Send more than two naked photos of the E-Whore.

DO NOT - Send him pictures of the E-whores vaginal area. Until he has paid. Stick with the upper portion of the body.

DO - Make sure he receives the picture(s)

DO - Make sure you have signs and hand signals in-case he asks. (THIS IS KEY!)

Thanks for making a thread like this! :)

I was just wondering what the best way to find these people are. Like do I just go into chatrooms?

When I get home from work today I will for sure give more detail.
