I've read through the ebook and I think that if you are a beginner in the art of making money online, then you should buy this ebook, but make sure you follow the ebook carefully, and follow rules set in the ebook.

I personally am not going to use the methods of monetary gain provided in the ebook as I have my own, but this is a great method for those who would like cash quick with small efforts needed.

Good luck with sales Fire. ?

(Dec 7, 2013 10:25 PM)Stoke City Wrote: [\[CITE\]](#) Looks very promising!

Easy tutorial to make money I have seen so far, it's good for beginners and there is money to be made with this eBook. I won a copy of this ebook, and it's definitely legit. I'm going to be reading through it all in more detail this evening to get a full grasp. Thanks a bunch Fire! :3 (Nov 27, 2013 11:34 PM)The Chewy™ Wrote: [\[CITE\]](#) This method is legit. Is greyhat so there is some risky business but nothing that can get you in trouble, maybe just a refund if you do it wrong. 7.5/10 Would recommend this. (Dec 5, 2013 07:56 AM)ironwarrior Wrote: [\[CITE\]](#) The method is easy to follow, some of the ideas are known, good book for starter. Quality:

9/10

This eBook is great, it got a simple design, and is well written.

Understanding:

9/10

This is a step by step guide, meaning its easy to follow, it dosent contain any pictures, but there is no need for them.

Grammar:

9/10

I found 1-2 mistakes in this eBook.

Originality:

9/10

I havent heard of this excact method before, but i have heard of something that sounds like it.

Overall:

9/10

Other notes:

This eBook is good, and you will make your money back with a little effort. However, the content of this eBook can be taken as grey/blackhat activity.

Ignore the prices. This was my sales thread layout. [Link](#) to sales thread.
