1. First go to this website : <http://www.idcloak.com/vpn-proxy/vpn-service.html>
2. Order for a free VPN. It will cost 0\$, No credit card required.
3. First create an account there. Fill your form with Username, Email, etc.
4. They will send you a verification email. Verify it.
5. Now log in your account and you will be able to buy free VPN service for 365 days for 0\$.
6. They will send you email with a link to their VPN software and Username/Password. Login and start to use it.
7. Visit here to check your anonymity :

I'm good with using my No-IP DUC for ratting. Although might try this out.

Thanks.

This is looking good i have to try it.

After registering i have see that 365 day's but it's for Windows I have to install software!
I prefer use like open vpn.

Thanks OP.
