Thread: [\[HOT\]FREE Facebook Hacking EBOOK.. with some new tricks & tips \(version 1\)!!!!](#)

amit007 - January 23, 2014, 9:23 pm

Hello HF mates,

This is my 1st thread.. & i'm giving you all a ebook on FACEBOOK HACKING

Yes!! you heard it right...

My hacking career started with Hacking Facebook Account's?
& spending those sleepless nights... on making a Phisher,Keylogger(server.exe),RATS & of course social engineering!!!!the targets..

Struggled a lot & hacked a lot of Facebook Account's so now i thought that i should be kind & since i support OPEN SOURCE!!?

So i decided to give away this ebook for free...

Now the IMP thing this ebook is not written by [ME..](#) all credit goes to the author SIKHIL SHARMA yep reading his blogs & tutorial's i started hacking Facebook Account's but now since his blog is banned .

I thought to help him...by giving this book away!!!

Link:--- [Facebook Hacker Pro..EBOOK](#)

That's it...

Also remember to reply... to keep this thread alive as i'm also going to give away version 2 of Facebook Hacker Pro..EBOOK which is too big & also with lots of Facebook hacking tools... ENJOY!!!!?

lamnotyou0978 - March 18, 2014, 11:49 pm

Uploaded 1 year ago? Not for nothing but I have a ton of tactics and techniques that I wont share because they get abused and patched up.. so if this was uploaded a year ago.. I tend to doubt much of it is useful anymore. Sorry to assume, but that is exactly what I am doing before even looking.
