Thread: [Make \\$1 in 1 minute \(Android device requiered\)](#)

MusicGuy - January 24, 2014, 8:39 am

Hello, I 'm looking for "microworkers".

All you need is an Android device (3.0 and up), a paypal account (to recieve the payment) and about 1 minute time.

If you are interested please send me a PM with your skype ID for the details.

PS: This can be done as many time as android device you have.

If you need more details as I told in my first post, please send me your skype by PM.

As for your question, no, I'm not trying to infect anybody's phone.
