When do you want payment? It obviously takes time for fileice to pay us out. Can you wait for payment till file ice pays out. Otherwise we may get our account closed due to fraud and not get any money and if we've already paid you we're out of the money.

rapidfire08 - January 26, 2014, 8:54 am

i don't understand what you're saying. Can you be little more clear?

xcrazedonexpr - January 26, 2014, 9:05 am
