It wont let you type

ps-aux

(Without the dash in between, It's just a basic thing to see running process on linux)

VladHQ - January 24, 2014, 7:47 pm

What do you mean. Psaux? I can type that without any difficulties.

Oh lol. Wtf was with that popup.

Scared me for a second.

"this block including submitting a certain word or phrase."

I guess Omni added it to his CF block list or CF blocks it in general.

SHADOW REALM - January 24, 2014, 9:10 pm

Yeah it's annoying as shit. I personally don't know that much about CF but I guess (Hope) that you can choose/filter where you can choose where it gets filtered if you know what I Mean
