Thread: [Hed Pe best fucking band ever no questions asked best band](#)

Natas - January 25, 2014, 3:01 am

Some one really just told me I dont like Justin bieber because I am jellious of him. ?

Wtf if I were wishing to be some one who makes music I would rather be some one who goes hard rather then goes soft.

Id much rather be some one who makes music like this.

[Video: <https://www.youtube.com/watch?v=Pcy4qPWN-uo>]

Does any one else like this type of music ?

I like shit that goes hard.

Its american beauty by hed pe.

But if you were wanting the song for that reason I would way rather listen to this its by the same band.
