Thanks mate ?

To be honest, I dont see the need in a vouch copy, Im pretty much doing a service so people can "test" the official product, Before you buy it, For \$2 you cant go wrong.

Then when you see how good it is, You can buy the program of Tom' Thanks for looking.

So this is like my free method: <https://hackforums.net/showthread.php?tid=3454329>

You enter your link, right click on it, and it is a Google redirect link? My method is free, why should people buy yours?
