Lady Deathstroke - January 25, 2014, 1:17 pm

Sorry for asking such a stupid and quick question but where is the buy awards page located because I can't seem to find it if someone could link me that would be great thanks.

I'll close this once I get a link.

Buy awards? Just ask Omniscient for a link to donate to for the donating awards. The others aren't for sale.
