Thread: [Vitani's Mate Reaching 100,000 Posts](#)

Achromat - January 27, 2014, 5:55 pm

Greetings, & Salutations!

As most of you here are aware of the current top HF poster Vitani's Mate

With the current 70,500 posts, do you think he'll be able to reach a total of 100,000 posts within a period of exactly 30 days or less?

Warm Regards,

Achromat

1,000 posts per day for the next 30 days? Absolutely no way.

He'll reach it in another year if he's lucky :P.

HueyTheGod - January 27, 2014, 5:57 pm

OP didn't do the math correctly. That is 1k post per day. He does 50 per day.

ChanceTheRapper - January 27, 2014, 5:58 pm

30 days or less? That is fucking RIDICULOUS! 983 posts a day, impossible.

Truth - January 27, 2014, 5:59 pm

damn I remember when he was at like 30k. mofo love HF

WRX - January 27, 2014, 6:00 pm

If you think this is even possible without spamming you're dead wrong

Without a lot of spamming, probably not.

I went from 800 posts to my current amount within 3 or so days.

Chills - January 27, 2014, 6:03 pm

Of course he wont make it in a month!

That's 1000 posts a day.

Maybe a year...

Op please use your brain, because you should have one.

because you post in lots of lounge threads...

I doubt he'd be able to do it, even if he tried.

Clique - January 27, 2014, 6:06 pm

To him ages to actually hit 70k. I doubt that he'll get 100k any time soon.

Sm?ke - January 27, 2014, 6:07 pm

I highly doubt he will reach 100,00 anytime soon. You figure its taken him x amount of time to hit 70k now do half of that in 1 month no way.

Does this merit a renewed discussion now that it's dug up, or do we quietly ignore this?

This is a very strange time capsule, but interesting to see and wow - 100k posts...

Jamika - January 18, 2024, 12:15 am

Seems way too much, 1000 per day? Is he a robot?

I guess [Biggs](#) can able to do the same ?

Vitani's Mate - January 18, 2024, 4:29 am

Well, since we had that massive post wipe, I had about 83k posts.

Sadly I wont probably be able to do this now since I am always busy with work and life in general now.

I has HF's top poster since late 2011 till the recent post wipe. lol

Would that be to beat that record of 1k posts per day?

And after that, a burn-out and a 6 month vaca ban. ?

Lol, I will be waiting for that moment brotha. Wait, why you have to do vacation ban wherein you

could just let your open so anytime you want to get back you can do so ?
