Thread: [11 Reasons why people might not like you](#)

Pillsbury Doughboy - January 27, 2014, 7:29 pm

So I came up with 11 reasons why you might not be liked by people. By people I mean me as well..

Which one are you?

Add someone to the list!

....

- You obnoxiously chew gum loud.
- Interrupt someone when they are talking.
- You correct someone when they make a typo over chat.
- You try to educate someone on something you need to be educated about yourself.
- Your reply to someone is "K"
- You sing loud when you cant single at all.
- You use words like "Fag"
- You suck your fingers when you eat.
- You talk a lot about how many chicks you fucked all the time.
- You call people immature while you are putting up an irrational argument.
- You're just a plain asshole..
- You brag about how large your cum shot was.

Factørial - January 27, 2014, 7:31 pm

these are the things i look for when picking friends. especially "Sucking fingers when you eat" that's just gross.

VodkaNik - January 27, 2014, 7:31 pm

I do all of the above, must explain why I have no friends and stay on HF all day.

Lucid Apex - January 27, 2014, 7:32 pm

I must say i think everyone is guilty of doing these things occasionally.

Folds - January 27, 2014, 7:33 pm

I don't see why fag is bad but alright whatever.

Jet??? - January 27, 2014, 7:34 pm

Here's one to add: You make shitty lists

Just teasin'

L33thaxorc0der - January 27, 2014, 7:35 pm

But isn't it a rule that you have to suck on your fingers after you eat doritos?

Argyle - January 27, 2014, 7:36 pm

In order of how it was listed in OP:

1. I do not chew gum.
2. Possibly, but I pause for a few seconds the moment I realize I cut someone off.
3. I do this a lot, but I do it playfully and not during serious situations.

4. I, most of the time, do my research before saying something.
5. I do not type like that.
6. I do not sing out loud at all, ever, even when no one is around.
7. I find it a offensive word so I do not use it.
8. I use a napkin.
9. I am not heterosexual and I feel if you have had sex with many people, you may have contracted something.
10. I allow the other party to state their point, even if it is illresearched, I would not label them because of it though.
11. I do not act like one and no one has ever told me I was.

Wheezy Gang - January 27, 2014, 7:38 pm

OP needs to stop trying to educate people on stuff he needs to be educated on.

ASLR - January 27, 2014, 7:41 pm

K, you immature fag. I just fucked like 8 bitches and did 9 whole cocains.

Also, those people who walk really slow in the always just so they have more time to talk about shit, rather than stepping over somewhere else out of the way. They are really annoying.

And you could have put a comma after people in the first line of your OP.

When people talk to you and their breath stinks very bad but they don't know it? so they continue talking. How do you not know when your breath stinks like I swear your mouth is close to your nose for a reason??

Another reason why people might not like you is because you decide to randomly send 20 dollars to my paypal.

I do this, all the time. I can't help but correct my girlfriend all the time, and I love to sing with her, even though I suck, lol.

My asshole is personally strawberry, I don't like anyone with a vanilla flavoured asshole.

My last cumshot went around the whole planet and hit my friend on the head.

Psycho - January 27, 2014, 9:20 pm

No one likes me simply because I dress like cheech and smell like a dumpster.
