These aren't flash player compatible at the moment. You cannot use these with EasyVCW but as far as I know, you can convert them to a .flv file type (I could do this if you purchase) and they should be playable via Stand Alone Flash etc.

dubayou - February 11, 2014, 1:08 pm

Naked show for JoJo is 15 minutes long, not exactly sure what she does. If you add me on Skype, I could watch it and tell you more. If you're looking for a longer show, the Rachel VCW is all new, no one has it and has a 25 minute show.

Real Muthaphukkin G - February 12, 2014, 12:39 pm

And where do we find the people who will pay to watch this?

BeckyG ? - February 12, 2014, 3:27 pm

(Feb 12, 2014 01:39 PM)Jason_Bourne Wrote: [\[CITE\]](#) And where do we find the people who will pay to watch this?

There are multiple sites in which you can find people. Craigslist, Chat Avenue, and Omegle are just some of the most popular in and outside of E-Whoring. If you purchase a VCW which is \$20 and over, you'll get an Ebook which will tell you all this information! ?

LoReNzO_Unknown - February 13, 2014, 7:57 pm

So you can make money of off this this is amazing

CubanGuero - February 13, 2014, 9:51 pm

Firstly, i'd like to thank you for your purchase. As a security measure, I ask that all customers provide their email address so I can verify their payment and get them their packages immediately. As you cannot PM, I ask you to add me on Skype, there I can ask you the required question(s), give you your newly purchased packages, and help you with any questions you might have.

Devour, nice spammer, but I recently got banned form chat-avenue and I was wondering if there was a way to clear cookies and cache from the spammer? That's the only way to get unbanned (and changing ip address), so looks like I'm banned on your spammer until the ban is lifted. Can you do a update and add a option? :)
