Lmao, I am glad somebody can appreciate this...

Fortknight - February 5, 2014, 1:56 pm

Gotta try this on a friend. The ideas that come in mind lol ty for the share

Destroyer™ - February 5, 2014, 2:00 pm

xD or you could link to something like fedexxx If you know what im sayin ;)

YeAt - February 5, 2014, 2:10 pm

Lol I do this to my neighbor all the time. MITM attacks ftw.

?aragon - February 5, 2014, 2:18 pm

Meh.. I like taking a screenshot of their desktop, then moving everything on the desktop into a seperate folder and making the picture the background. That way it will look like everything is still there, but it's actually an image.

shooky - August 30, 2015, 1:14 am

Was grave digging my own shit, thought this is still pretty funny ?

Slenderman™ - August 30, 2015, 1:16 am

For a second I thought op was the cancer calling himself Shockley.

Duyere - August 30, 2015, 1:18 am

If only I noticed this thread a year ago. This would have been great for redirecting my friend to porn/screamers.

tronox - August 30, 2015, 11:37 am

Lol this can be funny to saving it for later :D
