Skitlz - February 6, 2014, 2:20 am

I CAN GUARANTEE 30 POSTS+ PER DAY FROM ME WHEN I HAVE A CLIENTS SIGNATURE IN AFFECT.

Skitlz Signature Ad Space

Hello Hack Forums,

I will be offering my ENTIRE signature as an advertisement space. It will NOT be split up among members, as I will allow for only one ad at a time (meaning you get the MOST out of your money).

Questions you may have:

How can I trust you?

I have no scam reports to my name nor any rep accusing me of such.

How much of your signature do I get to use?

You get the ENTIRE space, Every pixel.

What can I put in your signature?

Anything within HackForums rules, along with my approval. (If it is within rules, I will accept it 99% of the time)

Do people see your signature?

Definitely! I try to post as much as I can and I can assure you 30 posts per day + if you purchase this spit.

What's allowed in my signature?
