Thread: [\[REQ\] Quick Avatar & Signature \[L33T\]](#)

Wrong - February 8, 2014, 1:01 pm

Just need a quick Avatar & Sig for my name,

Colors:

-Black

-Grey

-White

Font:

Just a clean font, nothing to fancy.

Not to picky, just want something clean.

thanks in advance!

These would look fine if you got rid of the bevel and the signature is not centered and also need to take bevel out aswell.

I know there has been submissions but I just felt like coming on here and practicing my skills. This is what I came up with

if you want anything changed or if I got the theme wrong let me know.

Doesn't look to bad, just do not like the red on the cross.

overall not bad man.

Mr. Nobody - *February 9, 2014, 11:03 am*

have you already used a submission? If not, would you like the cross to be plain black or do you want a picture or something in the background if you want a picture I'll take suggestions. plain:

with (random) pic:

Fuck yo specifications!

This meets literally none of your requirements, but hey, it's free!
