[Rate] My Youtube Channel Art

Hey, guy's this is my first attempt at Youtube Graphics/GFX please tell me what you think i should improve on .etc, all feedback is welcome and will help alot with my future designs.

YT: Channel:

<http://www.youtube.com/user/SyncingVI>

Channel Art:

Wow not bad for a first time.. Keep It Up :)

Private666 - February 9, 2014, 10:40 am

Thanks got few other as well might release PSD's because i'm moving to professional Flat designs

spidermat1 - February 9, 2014, 10:46 am

All I can say about this is that it's hard to read, atleast for me.

NegativeRep - February 9, 2014, 12:08 pm

I found my way through your channel to a clan called sero... lol

Private666 - February 9, 2014, 12:16 pm

Sero yeah Old Leader use to be Wolfy xD

stansmit - February 9, 2014, 1:54 pm

Its vey nice, but its hard to read the text. Nice, keep it up man.
