Thread: [Omniscient - I donate my love to you <3 Happy Valentines Day *early*](#)

Perfect - February 9, 2014, 11:08 am

Hello, Perfect here and I was thinking to my self... After upgrading almost 14 people [My next contest](#) contender there. Ever take a second to pat him on the back? HE NEEDS IT. Regardless of his comments, he enjoys all feedback about him and this is why I posted this. I know he's stressing over something so I figured a little laugh would do.

Thank you Omni for your patience and keeping this site maintained after so long. ?

Thanks for the love too.

Damn that sucks. Yeah though it's standard that when an account gets closed, it loses it's awards. Multiple members have come back from such a thing and having lost a good amount of awards so you're certainly not alone and it could have been a lot more than it was haha.
