Thread: [\\$5 / Minecraft server secret advertising method! / MAKE BANK WITH YOUR MC SERVER!](#)

Fitz - February 12, 2014, 5:51 pm

Secret advertising method!

With this method you can get potentially 1000's of players on your server. Your server will finally be famous and you can be rolling in the cash!

You will have the chance to meet lots of people, and you will have loads of players.

Prices: \$5 with no support. \$7.50 with support

This method includes 3 ways to advertise your server.

1. Lists
2. Paid advertisements
3. ??? SECRET METHOD ???

To buy:

skype: Fitz_HF

or PM me on HF

Vouch for Fitz, we got a legit member right here!

Cryoplex - February 14, 2014, 7:20 am

Very interested. I'll be contacting you when I get my paycheck. ^^

Fitz - February 16, 2014, 9:19 am

Still selling, giving away a vouch copy to an ub3r if you want!

Delevingne - February 16, 2014, 9:26 am

The ebook contains really basic methods, but is pretty handy for beginners!

?

(R)e1gn - February 16, 2014, 9:27 am

Hey I would love to take a vouch copy!

justinis - February 16, 2014, 9:28 am

Would love if someone could tell me this guy's legitimacy...

Like if the secret method is actually known or not. ^_^

Dr.Rockzo - February 16, 2014, 11:43 am

I vouch read the e-book earlier great

SIM-1729678 - February 16, 2014, 12:10 pm

I know fitz, I was admin on his server, petty big server, and the method works, vouch, and GLWS mate.

Squidward - February 16, 2014, 12:11 pm

You sure this is unique? I have a strong feeling that it's not.

I read the e-book the other day has to be the best e-book for minecraft I have ever seen

Squidward - February 16, 2014, 12:14 pm

Does it have ANYTHING to do with voting sites?

Sounds better than "secret". But okay, "secret"?

Demoz - February 16, 2014, 12:21 pm

I'm assuming since you can make an amazing eBook about Minecraft advertising, you have some experience and have a server with 1000's of players, as stated with this eBook. What's your server name?

Regards,
Demoz

Not like it's in his user title or anything...

I know, but he said this eBook can get people 1000's of players, yet he has only 33 online. This makes me assume, this eBook is not unique and only shows the most basic beginner advertising methods; Stuff a simple Google such could find you.

Regards.

Are you new to HF ebooks or something?

No. I know most of them do not work and most of them are just the same methods over and over again.

Demos

Shouldn't be of surprise then. ?

justinis - February 16, 2014, 1:10 pm

I guarantee I already know this method..
Been attempting minecraft advertising for 2 years or so now...

MysticParadox - February 16, 2014, 1:45 pm

I'll be writing a review of this eBook. I am saving this spot for the review.

Fitz - February 16, 2014, 1:59 pm

For everyone that says that just because my server only has 33 players on that is isn't legit, you obviously don't understand that getting those 30 players to stay on is not an easy task, and this eBook makes it easier.

33 players is better than most of your servers, anyways.

The Yellow King - March 9, 2014, 2:25 pm

To be completely honest, Fitz is right. Maintaining anywhere from 10-33 players is definitely hard work. And to be completely honest, I'd say his server isn't of the BEST quality either (No offense Fitz), so if he has that many players, it definitely shows his method works.

This better not be using that chrome extension to connect to random proxies around the world and simply voting on top lists.

Hahah, No this method does not involve voting, proxies, or anything like that.

jtice40 - March 12, 2014, 10:26 pm

Completely legit, thanks fitz <3
(Too short for Hobbit)

Ya, thanks for the vouches everyone <3

jtice40 - March 25, 2014, 10:56 am

Bought this eBook from Fitz. Most eBooks on HF or anywhere with this type of quality can go up to \$50+, it's insane on how much money I've made.
Thank you so much Fitz.

Teeto - March 25, 2014, 10:57 am

Can you post some proof? Thanks in advance.

Check out my server, raidznetwork.com
Thanks, still selling this!

SIM-1729678 - April 1, 2014, 11:33 am

wooooooww 2 month grave digging till the max xD

Shmebulock - April 9, 2014, 1:37 pm

Want to buy! Just send me your Paypallink! Also added you in skype!

Fitz - May 6, 2014, 7:49 am

Gonna start selling this again :)
Just got 100 players on my server :)

Marky Marky - May 7, 2014, 10:57 am

Hey Fitz! Can I get a vouch copy of your product possibly?
