Thread: [\[L33t and Ub3r Only\] Count 1 to 100. Even numbers will win!](#)

Dear - February 13, 2014, 1:19 am

This is my first chapter of a series of contests/challenges.

Simple contest:

Count 1 to 100. All even numbers will win \$1 each.

- 1.) You can only win once.
- 2.) Duplicate numbers will be ignored (e.g. two/three people posting the same number, the first person who posted will be honored).
- 3.) If your previous post didn't win, you can try again.
- 4.) Jumping into even numbers will be ignored (e.g. User posted 8 when there is no #7 yet).

Payment will be made within 12 hours or less. :)
