A huge giveaway hosted for Very High Members of Hackforums.

Rules are very simple:

- * Only 5 people will be paid 20\$ EACH then the thread will be closed.
 - * You have to have 10,000+ Posts.
 - * Your reputation has to be 500+.
 - * Your warning level has to be ZERO.
 - * Leave me your address in a reply to this thread.
 - * I WILL NOT ANSWER OR PAY TO PM.
 - * You will get your 20\$ to your address almost instant.
- KNOW A FRIEND WHO MATCHES THE RULES? PM HIM RIGHT AWAY.

Why am I truly doing this?

I am successful business man that been earning so much lately from learning and from my own methods. I was once a poor member or hacker that had no money and was such a fail that I couldn't do anything.

I know what each of these people feel because I was once in your place not so rich and was jealous of these people with money.

So I don't mind helping some people cause its what I wished someone would do for me one day.
