Welcome To The LeGenda?Y Bitcoin Giveaway

This time its completely different. This time I am dividing the prize on 3 different giveaways with 3 different requirements so all users can make use!

This time we are giving away to only 40 members.

Let me explain this to you, we have 3 Giveaway packages, every package has certain requirements and of course different amount of cash.

NOTE: You can join in only 1 package, you aren't allowed to win from more than 1 package.

Package #1:

Total amount being given: 20\$

Each person gets 1\$

This will be given to 20 people only

L33t/Ub3r members all welcome

Normal members at least 1000+ posts

Package #2:

Total amount being given: 30\$

Each person gets 3\$

This will be given to 10 people only

L33t/Ub3r members 500+ posts and 100+ reputation

Normal members at least 2000+ posts and 200 reputation

Package #3:

Total amount being given: 100\$

Each person gets 10\$

This will be given to 10 people only

All members accepted

Requirements:

4000+ posts and 400+ reputation

OR

2000+ posts and 600+ reputation

Simply just post which package you qualify for and post your wallet address in a reply, DO NOT PM ME PLEASE.

As this is gonna be 3 packages and 3 giveaways, it will be a bit mixed up and I have to check every profile. So please allow at least 10 minutes before you ask me if I sent it or no ^^
GOOD LUCK TO EVERYONE
