Do you still moderate the HF L33t OT section? I don't see you at all there though, just a question

Yes he does, he might be dealing with in realife issues at the moment.

Why would you post this instead of sending him a PM?

Not to post pm's but to pm him directly.

You can always PM a staff member.

Only admins can verify PMs though so I suggest you PM Xchang3.

You don't have to be actively posting in a section to be able to moderate it.
