Totally agree, the die hard series is one of the best but the first are better than the last in my opinion.

Yeah I love the die hard series, especially the fact that Bruce Willis seems to be impervious to bullets!

Like I stated the first 3 are the best.

The older Die Hard's were great. #4 was pretty decent as well. #5 was horrible, IMHO.

In order:

Die Hard 1
Die Hard 4
Die Hard 3
Die Hard 2
Die Hard 5
