Thread: [\[Free\] Chalkboard Thread Design + Matching Signature \[L33T/UB3R\]](#)

Mr. RawrGasm - February 16, 2014, 1:08 pm

I am only giving this away to L33T/UB3R members because they're the only ones who can wear the signature and I'd like to actually see someone use both for one of their products. This thread design + signature work great for members who offer Homework services, but can be used to advertise any product.
