Quality: 9/10 A big 9, great Ebook, has 2 parts, but is amazing!, even without part 2 you can make a shitload of cash!.

Method : 9/10 It is something we all know, I think this is one of the best guides that I have ever read about this, the user made 2 books, 1st with the concept, and 2nd with all needings, plans, and links you needed! amazing!

Grammar: 9/10 No critical grammar mistakes! great english, did not notice any mistakes at all!

Layout: 9/10 Layout is also amazing, great font, and not too much text on 1 page, you can understand it easily! book 1 is mainly the concept! book 1 is mainly text, book 2 is the method itself, great method, and explained step by step, in different ways, user also added pictures to make it easy to follow.

Overall 9/10 One of the best guides I have seen, this method has some great potentials of earning BIG cash! I advise anyone that wants to earn big, buy this, it may take some setup time, but you will earn BIG.
