Hey HF,

Today I will be sharing my template I just made a little bit ago, not like im using it so I tweaked it a bit so I can give it to you guys!

Here's what the template looks like!

Spoiler [\(Click to View\)](#)

You can download it [HERE](#)

Leave a vouch if you like it!

This is one of my worst sig templates ever, yet I see so many people around with it.

May not be the best but it looks damn nice, with a bit of editing it can look dope.

Thanks for the post.

Thanks for the free download!!!

Editing right now :)

I like how this has 94 downloads, and I see people around using it everyday, yet there's not even a page of posts here yet.

OhMyQuad - May 16, 2014, 1:19 pm

Have seen this everyday, looks good!
