GL1TCH3D - February 23, 2014, 6:16 am

The hard part is getting the wig to your feet xD

Trylone - February 23, 2014, 8:21 am

Yes, do you have a blue wig? :3

That would make it perfect :D

Kirit???o - February 23, 2014, 8:24 am

Wrote: [\[CITE\]](#) i dont see the point of this anime seems rather odd Most Slice-of-Life animes doesnt have a point, and that is exactly the point, the story ist most of the time random romance, drama or comedy, that makes the Slice-of-Life animes what they are. Lucky Star is one of my favorites.

Also you should test 2 other Slice-of-Life animes:

i love this one the most:

1.Yuru Yuri

A girl named Akarin joins the School-Amusement Club.

Together with her childhood and new friends she.

There are 4 other Club-Members.

This was the funniest anime i've ever seen.

Theres a second season and an OVA coming soon

2. sakurasou no pet na kanojo

This anime is about a boy who lives in a dorm named "Sakurasou" his life is pretty boring untill the "teacher" (dormowner) told him to pick up her cousin at the station.
