What I want:

Text: Admin.Trophix

Colors: Red/Blue

Animation: animate it like the animation you see in the first example

Thanks in advance,

-Trophix

I just want what you see in the examples.

Text: Admin.Trophix

Colors: Half Red and Half blue, no specific font just make it look classy.. yes a Shine Effect please.

Still looking for one of these please!
-Thanks

Couldn't figure a font more classic than Arial xD

Oh, and also, please give the forum bg color, because a gif can't be transparent

DamnMan - February 23, 2014, 1:58 pm

You can just use an online animate text creator ?
