Stay Plural - March 6, 2014, 9:56 pm

(Mar 6, 2014 07:59 PM)Fireworks Wrote: [\[CITE\]](#) Did you at one point have some stat accounts up here?

Well... the snapchat accounts are for the usernames, not stats. You can check the instagram acocunts for their stats but they're more-so meant for the username, and they are inactive... the PSN accounts are clearly not for stats and the tumblr accounts are for usernames.

So nope.
