Thread: [\[Wolf's 1000th post\] Counter Strike: Source Account](#)

PhoenixHF - February 25, 2014, 1:34 pm

Greetings,

Today, I hit 1000 posts.

A bit about me:

I am known as Wolf on HF. I am 15 years old.

I was in Legion before. I enjoy social conversations and I dislike trolls and gung-ho people. Well, this is my 1000th post. I won't say that I am a HQ person. I am LQ, but I strive to become a better person, after all, I am here to advance and learn something new. HF's a good community and I like HF.

So, here, I contribute a 8 years old Steam account with Counter Strike: Source, HL2 DM & Lost Coast, Dota 2 and Day of Defeat: Source.

How to participate?

Just post, and I will choose the winner with random.org based on your post number.

Giveaway ends : 27.02.2014 :)

Good luck to all participants.
