Thread: [Free Small Popcorn @ AMC Theaters \[USA\]](#)

Focusal - March 1, 2014, 11:20 am

Hey guys, I have been a stubs member since day 1, and just got a email from them saying I can get free popcorn and other stuff.

Just text BEST to 242424. There will be a auto response saying Reply with Y to join the party. Text Y and you will get another auto response with popcorn link. And you get a free small popcorn! Also if your a stubs member, it upgrades to med if your a stubs :)

Every month they text with some promo i think.

Enjoy!

Yeah, they've had this for a while now. Only works once per number though.

Not sure which AMC you go to, but a small popcorn is like \$7 over here.
