Thread: [Free VPN \(US\) *NO LOGS + ENCRYPTED*](#)

Revamp - March 1, 2014, 12:32 pm

This VPN is NOT DDos Protected, Once its attacked and nulled... Its not coming back.. So don't be ass and hit it off.

IF you need a DDoS Protected VPN, contact me.

I'm giving a vpn account to ALL L33t and Ub3r

Features:

No logs

Encrypted with 256 bit AES Encryption

PM me!

MOBamattie - March 1, 2014, 12:35 pm

Not really, because they have better things to do... And my server doesn't have logs but the datacenter may have logs....

Phumix - March 2, 2014, 12:43 pm

Vouching for this, it was sent out very fast and works.

[\$(5)\$] - March 2, 2014, 2:02 pm

Mind sending me this? Thanks in advance! I appreciate it.
