I Just finish watching Heavens Lost Property it was freaking great. i couldn't stop laughing at the random/pervert stuff toki would do.

The style of the anime

- Harem
- High School
- Comedy/Romance

I would suggest this anime to anyone interested.

The anime made me laugh since it started, i think everyone would really like this anime go watch it :3

Either on youtube or search it up on google its dubbed and subbed

Thumbs Up!

Yeah they are i kinda was disappointed they had enough things to keep it going i really wanted to see them fight the syntax.... hope the movie answers all my questions.

- Chaos joining the group was like mind blowing but she seems like a nice person except for her psycho side. but it was like :c keep going
i felt like i lost a little part of me when they said movie instead of season 3 :c hope the movie goes well and they keep going with season 3

its really funny probably watch it again, Tomoki ftw? ?

Kirit???o - March 1, 2014, 5:15 pm

truth is who doesn't love tomoki complete perv XD

they should of kept going with season 3 it would of been great, in my opinion if the movie gets alot of money they are gonna keep going with the anime

i didn't really understand the movie, the Angleoid of Clockwork like its confusing
