Vouching. Product works good. I would LOVE if this had a mass search feature! Good product!

JoshAllen - March 2, 2014, 3:25 pm

Huge thanks to everyone for the support!

Glad you are liking the namechecker!

Agency - March 3, 2014, 12:43 pm

Vouch for ty he certainly knows how to make a great product

JoshAllen - March 3, 2014, 4:59 pm

Thanks for all the generous donations guys!

I may be releasing an update sometime.

Glubz - March 4, 2014, 7:38 am

You can only do one account every time? You should be able to import word-lists, that would be awesome!

Restrict - March 4, 2014, 7:55 am

Vouch for Tyler, selling a legit product.

Peril - March 4, 2014, 8:03 am

If you can say something about word lists I will be sure to buy :p

Restrict - March 4, 2014, 8:05 am

I can now vouch for the product as well as I have just purchased it.

It works amazing and gets usernames super fast.

Thanks man for your purchase!

Glad you enjoy it!

JoshAllen - March 6, 2014, 7:36 am

Still open guys!

Thanks for the purchases everyone!

Restrict - March 6, 2014, 8:57 am

is there anyway so you can patch it where tags that contain profanity show up as taken?

I typed in "B*tch" and it said it was available.
