Thread: [Please rate my logo portfolio](#)

ABCDesigns - March 2, 2014, 11:44 am

Hey guys I've been inactive for ages and slowly building my portfolio up and I want you guys to help me and give feedback on it :) thanks for all who comment (I can take negative feedback) :)

Nice looking site although slightly plain still. I presume that will change as you produce more graphics.

Noticed however a few spelling mistakes if you care on the 'About' page. Example 'i' instead of 'l'.
