Really simple, Thanks!

35 characters is too long

Toweliee - March 3, 2014, 1:52 am

The feature and the contact were pretty creative, rest from that pretty bad compared, anyways thanks for sharing!

I actually Don't mind this Design it's very simple!

Hemster - March 3, 2014, 3:42 pm

Very Great Design!

I like Simple Design

Lol it's a free release you ungrateful f*ck

I clearly said in the thread don't complain over it.

If you don't want a survey then make your own thread design or buy one, simple

Hemster - March 4, 2014, 5:54 am

Huh,
Can't download it from my country :(

It's not a "free download". You probably did not even do it. You're getting paid around \$1 for every download. All surveys cost money, from your phone or you need to buy something.

People like you are stupid, plus you -3 rep me for no reason.

g0han - March 16, 2014, 11:06 am

Still up for download :) it's a sc link

#RockY - April 21, 2014, 10:46 am

Awesome using it currently on my threads!
